ONE TO ONE MENTORING - A PARTNERSHIP BETWEEN GEM AND NEMO

GEM
We connect &
learn together

GEM

The Group for Education in Museums (GEM) is a thriving and vibrant membership network of over 850 institutional and personal members. The vision is of a connected and equipped community of people enabling learning across museum, heritage and cultural settings, creating inspiring experiences, relevant for everyone; that promote equality - transform and enrich lives.

NEMO

The Network of European Museum Organisations (NEMO) is an independent network of national museum organisations representing the museum community of the member states of the Council of Europe. NEMO ensures museums are an integral part of European life by promoting their work and value to policy makers and by providing museums with information, networking and opportunities for co-operation.

One of NEMO's key strategic missions is to ensure that museums are recognised as **rich learning environments and places of public engagement**, as well as providing a platform for the exchange of best practice, which resonates strongly with GEM's own mission and vision.
